Re: Upcoming Board and Property Owner's meetings

Spring has arrived and that means Vista Del Lago residents will be returning in force over the next few months. Spring is also the time when regular Board meetings begin again. Saturday, May 3, 2008 will be the first Board meeting of the season. The VDL Property Owner's Meeting will be held on Saturday, June 7, 2008. Both meetings will be held at 9:00am in the clubhouse.

The agendas are not full as of print time, however there are some very important items up for discussion and voting. A very important item has to do with improvements to the RV/Boat parking area. There were 2-3 designs submitted for discussion last year. In order to consider these proposals and vote on them, the Board will need to have written estimates in hand at the May 3, 2008 meeting. If the Board receives enough proposals, they will take the issue to the June 7<sup>th</sup> meeting for the property owners to vote on the final design. If you have prepared a plan, or would like to prepare a plan, please turn your design and written estimate(s) in to one of the Board members, on or before May 3<sup>rd</sup>.

Lastly, it is extremely important that we recruit some new board members for the next term. As of this print date, all five Board members have announced they will be stepping down. For the sake of Vista Del Lago, it is extremely important that new candidates step forward and offer their services as Board members. The out-going Board members will ensure a smooth transition and will assist the new Board in any way necessary. If you have not already served on the Board, please consider doing so. There are 1 year terms and 2 year terms, so there is plenty of flexibility if you want to give it a try.

Sincerely,

Leslie Burns, Secretary (For President Robert Dreisbach)
