New Business

- Budget ratification: Vote on proposed 2008-2009 budget
Note on budget draft: *The new budget does not include retained funds from 2007-2008 budget and also includes projects or services that may or may not be done in the coming fiscal year. This would be the reason for a negative balance shown on the 2008-2009 budget.*
- Vote on proposal to waive mandatory 2007 audit

Old Business

- Possible vote on final RV/Boat Parking enhancements. A vote will be contingent upon designing parties providing board members with written estimates for the proposed work at the May 3, 2008 board meeting.
